

# STELDA PS500 GT

Stelda PS500 series preset or batch production case sealers have the best in class options of box sizes, speed or types of sealing. The tamper evident case sealing with protection against transit damages offered by Stelda PT500 also provides:

- Improved packaging security (tamper evidence)
- Corrugate reduction
- Improved case stability and palletizing
- Long term bonds - for long term storage and shipping
- High productivity
- Reduction in product damages in transit
- Sustainability

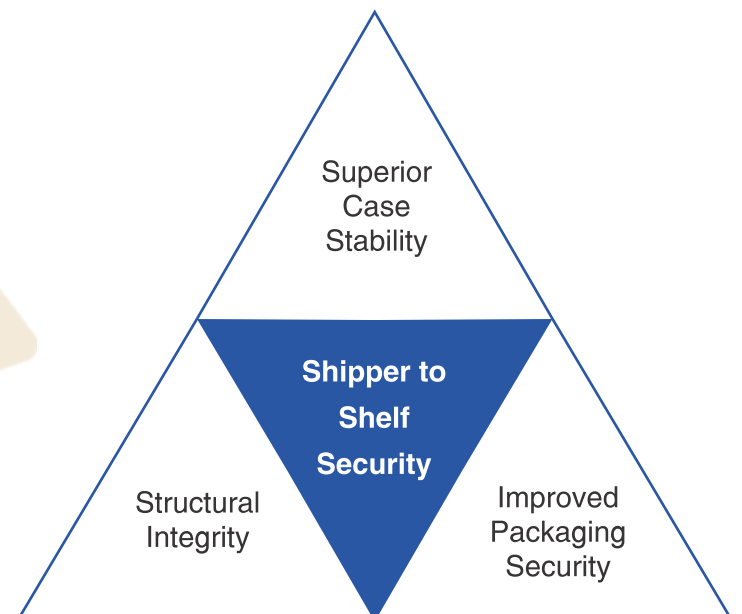

Cold Glue

Tape

Hot Glue

### SALIENT FEATURES:
